## Taking Strides To End Homelessness Among Veterans

Community Hope gratefully acknowledges the Somerset Hills YMCA for today's event. The YMCA has generously donated the proceeds from this event for the past eight years to benefit our nonprofit organization's *Hope for Veterans Transitional Housing Program*, where we provide housing, hope and encouragement, employment and support services to 95 homeless veterans a day.

Located at the Lyons VA campus in Bernards Township, our private charity has helped nearly 500 veterans to overcome homelessness and despair since 2004. Thank you for supporting our veterans and taking strides to help end homelessness.

Two new programs are under development to reach more veterans in need. For more information on how Community Hope is helping homeless veterans, visit [www.communityhope-nj.org](http://www.communityhope-nj.org)

*We build strong kids, strong families, strong communities.*

The purpose of the Somerset Hills YMCA is to help people grow in spirit, mind and body. We are a community service organization of dedicated staff and volunteers, rooted in Christian values, serving all individuals, regardless of age, faith and economic circumstances. We are guided by our core principles of caring, honesty, respect and responsibility.

This year's event is dedicated to the memory of
