SERVING HOMELESS VETERANS
AND VETERAN FAMILIES**

Champions of Hope Society

Community Hope and our Hope for Veterans® umbrella of programs provide a lifeline to thousands of individuals, including veterans and veteran families, each year. Our housing and support services help those struggling with homelessness, poverty, mental illness and addiction. We restore hope and save lives.

But Community Hope cannot do this without your help. Please consider making a donation and joining us in the **Champions of Hope Society**.

When you join our **Champions of Hope Society**, your donation saves a veteran family from homelessness and ensures a safe haven where someone begins the road to recovery from despair and mental health issues. As a **Champion of Hope Society** Member, you will receive special benefits and recognition within the Community Hope family.
