

SSG-FOX SPGP

(Staff Sergeant Parker Gordon Fox Suicide Prevention Grant Program)

ELIGIBILITY

If you are an active duty service member or veteran experiencing emotional difficulties or a family member of an active duty service member or veteran experiencing emotional difficulties, we can help.

SERVICES OFFERED

- Outreach to identify those at risk of suicide.
- Case management services and VA benefits assistance for eligible individuals and their families.
- Education on suicide risk and prevention to families and communities.
- Provision of clinical services for emergency treatment.
- Assistance with obtaining and coordinating benefits provided by government, or an eligible entity.
- Assistance with emergent needs for health care services, daily living services, personal financial planning & counseling, transportation services, fiduciary and representative payee services, legal services to assist with issues that may contribute to the risk of suicide, and child care.
- Family members complete an intake form and the mental health screenings; however, family members do not need to also be at risk for suicide. The service member or veteran's eligibility allows a family member over 18 to receive services that are in support of and related to the eligible individual's risk mitigation.
